Welcome to Maine!

Scott Steinberg, President, Maine Tennis Association

Dear Tennis Enthusiasts,

On behalf of the MTA Board of Directors, best wishes to you for a happy, healthy, and tennis-filled 2009! MTA supports a variety of tennis activities and programs in Maine for players of all ages.

USTA League Tennis has now passed the 25 year mark and continues to grow. In 2008 - - with help from Leagues Coordinator, Devi Maganti and terrific volunteers under the direction of Gwen Lambert - - Maine hosted the Mixed Doubles Sectional Championships and the District Championships with over 1,000 participants. There were four teams from Maine representing USTA / New England at the National Championships. Fall Mixed Doubles - - the start of our 2009 season - - witnessed an increase in teams. This winter we will start our Mixed Doubles, with Adult Leagues to follow. If interested, contact your local tennis club or visit www.mtatennis.com.

USTA Jr. Team Tennis grew 16% in Maine during 2008 with a record 354 participants and a record number of state leagues. The Maine Pines 18 & under advanced, "Dream Team," coached by Luke Korzekwa, made it to Nationals and placed 15th. Thanks to Eric Driscoll, USTA / New England, for his energy and leadership, to our league volunteer coordinators Wayne St. Peter, Noah Capetta, Bruce Mills, and Kathy O'Neil, and to our many other volunteers, parents, and players.

As a cost-savings measure, you will note that we have streamlined this newsletter significantly. You will find adult and junior tournament schedules for 2009 in this mailing. For additional information on tennis in Maine, please visit the MTA website, www.mtatennis.com

See you on the courts!

Sincerely,

Scott Steinberg
